HELP NEEDED

As with any club, volunteers are always needed! We have a great committee but still require additional help from club members. An example of areas where help is always appreciated is: Coaching, Team Managing, Umpiring and Sub Committee Members. In the upcoming months we will be holding a number of courses to assist volunteers in a number of these areas. If you are interested please contact one of the committee members for more information.

Finally, we would like to thank you for taking the time to read this letter and accompanying paperwork. We look forward to a fantastic and enjoyable year with you and your children.

Regards,
